A warm welcome.

“To go on pilgrimage really means to step out of ourselves in order to encounter God where he has revealed himself, where his grace has shone with particular splendour and produced rich fruits of conversion and holiness among those who believe.”

- POPE BENEDICT XVI, 2010

So you saw some upcoming pilgrimage trips advertised in the local Catholic newspapers or in your parish bulletin. And it looks rather compelling because you've always wanted to go to that particular destination for a pilgrimage, and more so, it seems cheap!

So how can you know if this is a pilgrimage worth going for? Just because a trip is cheap, it doesn't mean that it will be a trip worth going for, and more so, it doesn't mean that the trip will be all it promises to be.

So what criteria should you use to decide if you should participate in an advertised trip or give

it a miss? Therefore, we from the Splendour Project have prepared this extensive guide for a discerning pilgrim like yourself to distinguish a potentially fruitful trip from one that may not be so.

You'll soon learn, that choosing among pilgrimage trips is never just a matter of choosing the cheapest trip you can find. There are many factors that need to be considered before making a final decision. Only when a tour organiser can guarantee the above to a reasonable extent that you can be almost certain that you have embarked on a good trip. So what are you waiting for? Flip the pages to learn more!

But first, an introduction.

The Splendour Project is the name given to a collaborative effort between various individuals and apostolates that have sought to proactively respond to the call of the Holy Catholic Church for a New Evangelisation through the proclamation of Truth, Beauty and Goodness.

Convened by the Rev. Deacon Dr Sherman Kuek OFS, we came together as a group of collaborators in 2012 to string together a series of apostolate activities undertaken by the various collaborative parties that would create a synergy in the transmission of the Holy Gospel as proclaimed by the One, Holy, Catholic and Apostolic Church.

Since then, this series of collaborative efforts has been recognised by thousands of Catholic faithful - clergy, religious and laity - and many more have come to identify themselves as being a part of this Splendour Project in varied ways.

The Splendour Team continues to travel around the region of Peninsula Malaysia and Borneo, and beyond, on a regular basis to catechise the faithful of the Church and to preach the Word. This is done through live conferences and events, through production, publication and

distribution of formation materials and media, and also through formation-based pilgrimages organised to various sacred sites around the world.

Several years ago, Deacon Sherman Kuek conceptualised a slightly different kind of pilgrimage, realising that many conventional pilgrimages take pilgrims to sacred sites without proper spiritual and theological guidance. As a result, pilgrims are often unable to optimise the benefits they are supposed to receive from such trips. Deacon Sherman therefore conceptualised “formation-based pilgrimages”, these being trips that continue to take pilgrims to traditional pilgrimage destinations but are accompanied by daily systematic faith formation throughout the trips.

Formation-based pilgrimages ensure that the task of evangelisation is fulfilled through the running of pilgrimages as pilgrims are catechised and the Word of God is preached daily. Such trips powerfully fulfil the evangelisation task of the Church.

Today, Deacon Sherman accompanies groups of pilgrims on such trips to ensure that faith formation is provided for these pilgrims each day on their trips. These trips are strictly formation-based, so that pilgrims have a better understanding of what they see and experience in the course of the trips. They are also guided on spiritual practices to be undertaken in the places they visit. A priest is usually requested to join in the trips to administer sacraments to the pilgrims daily while Deacon Sherman takes care of their faith formation.

What is a pilgrimage?

“Pilgrimages evoke our earthly journey toward heaven and are traditionally very special occasions for renewal in prayer. For pilgrims seeking living water, shrines are special places for living the forms of Christian prayer in Church.”

- CATECHISM OF THE CATHOLIC CHURCH #2691

A pilgrimage is reflective of our faith and life journey, which is dynamic and ever-changing. In life, we are not always progressing the way we should. There are times when we find ourselves moving forward, and at other times we find ourselves stationary. In fact, there are even times when we may regress slightly. But through all these different “movements” of our journey, we are essentially moving on the path towards God. And this is precisely what happens on a pilgrimage.

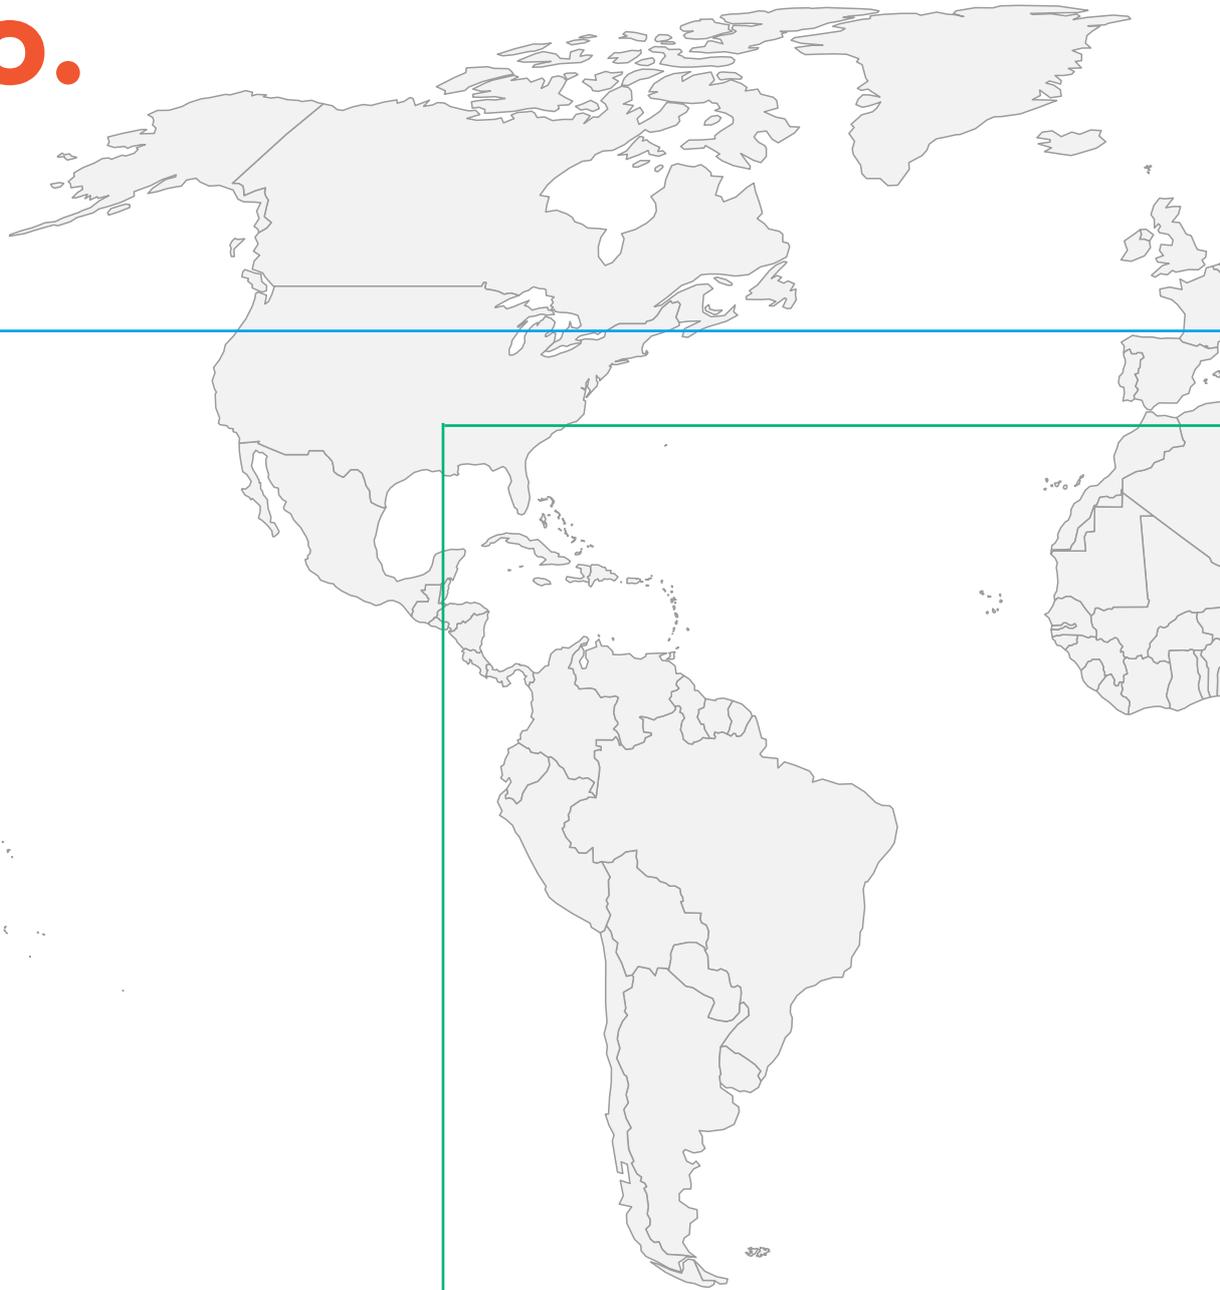

Life brings with it various experiences which affect us in different ways. When we go on pilgrimages together, we offer everything of our human experience to God, including our fears, our hopes, our desires, our dreams, our doubts, our ailments and our gratitude. We walk together to witness the faith of God’s People at sacred shrines, and we pray at what we see while uniting ourselves with the faith of the Church.

Pilgrimages are by nature unsettling, just like life itself is. Just when we think everything

is going smoothly, life brings with it a surprise which can be pleasantly welcomed or begrudgingly unwanted. Although the organisers of such trips are often vigilant to ensure that the best arrangements are made for you, there are things that are often beyond their control, such as mishaps in flight connections, flight delays, unpleasant encounters with people, and mistaken directions. If we take all this in our stride and keep our hearts on the purpose of such a journey, we would see that the journey eventually leads towards our intended destination: God.

Throughout our trips, pilgrims are constantly reminded to keep their hearts and minds on the spiritual dimension over and above the physical dimension of the journey. Much will be expected of us in terms of transcending the discomforts that the unsettledness of a pilgrimage brings us. But at the same time, if we allow ourselves to be taken through the journey with vulnerability and humility, a “joy of suffering” will come upon us as a deep experience in being united to Christ.

The places we go to.

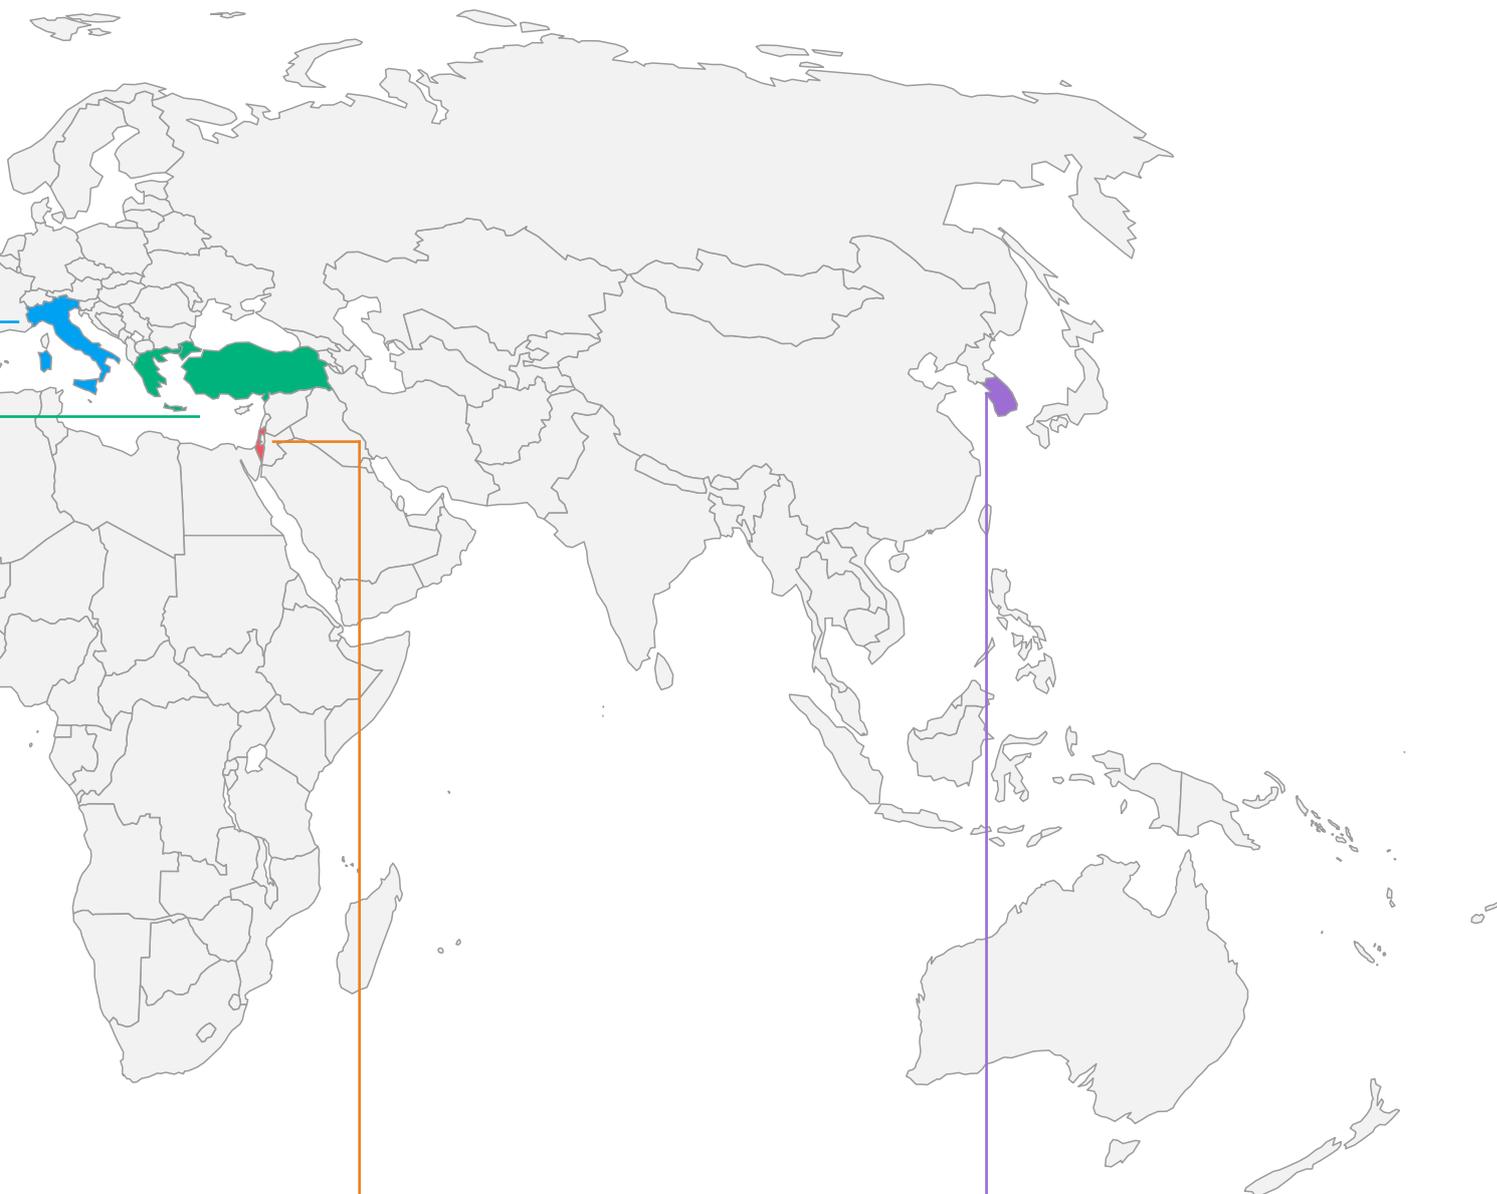

: Rome & Europe

Return “home” to Rome where our Papa Francesco reigns as a sovereign monarch in the Vatican. Visit the historic places in Rome where many important events took place in the history of the Church. Witness how the holy lives of Saints inspired entire towns and cities towards holiness and how Christianity has suffered and thrived in the midst of persecution and oppression for centuries.

: Greece & Turkey

Visit the cities where St Paul visited to preach the Gospel of Jesus Christ, such as, Philippi, Thessaloniki, Athens and Corinth, among others. Visit the Island of Patmos where the book of the Apocalypse was written, and also visit the seven churches mentioned in the book of the Apocalypse. Enter the Hagia Sophia which was once the grandest church on the face of the earth.

∴ Holy Land

Visit and touch the places where the Christ, our Lord, was born, grew up, lived, ministered and visited in the course of his earthly life. Visit the towns and villages where the early Apostles lived and preached the Gospel to the Early Christians. Make a journey to the land where God chose to reveal the fullness of Himself to humanity.

∴ South Korea

Embark on a journey to understand the history of the persecutions starting from Seoul heading south towards Busan. Visit and touch the resting places of martyred Christians. Hike the birthplace of Catholicism in Chon-Jin Am which started as a small study group. Venerate the relics of St Andrew Kim Tae-Gon, first priest of Korea in Baeron.

Our past trips.

When you come on a pilgrimage with the Splendour Project, you don't just become another pilgrim, you become a friend. As evident from the feedback from our pilgrims in the past, they are constantly surprised by the amount of care and attention which the Splendour Project provides along the way, providing them with a pilgrimage of a lifetime - bringing to life the rich teachings of a destination, characters of a place and new friendships that go beyond their expectations.

The Splendour difference.

**PILGRIMS
MUST
RECEIVE
ADEQUATE
AND
ACCURATE
TEACHING**

On many pilgrimages, too little proper information is given to pilgrims to aid their understanding. Many tour guides, despite the training they claim to have received, thrive on anecdotes. There are also those who deliver facts that are either untrue or inaccurate to unsuspecting pilgrims, or worse still, teachings that contradict the Catholic faith.

This is one important reason why the Splendour Project decided to begin offering formation-based pilgrimages, so that an expert formator could accompany our trips to provide pilgrims with more than adequate teaching and guide their understanding of the places that they visit from the historical, Scriptural, and theological perspectives. Even the tour guides we provide on our trips are very carefully selected.

**PILGRIMS
MUST BE
GIVEN WHAT
THEY PAY
FOR**

Because the Malaysian currency has devalued by at least 15 percent this past year and travel has become even more expensive, many travel organisers are forced to cut corners to keep their trips cheap. For example, some components of a trip may be removed, or quality of transportation, accommodation, and food is being compromised, or less time is spent in the more important places because being there is more expensive.

The Splendour Project ensures that this doesn't happen on our trips. On the face of it, it looks like our quoted prices are not cheap. However, we actually ensure that you get what you pay for because we refuse to compromise on the quality of your experience. We believe that since most of our pilgrims are visiting a particular place only once in their lifetime, it is not worth compromising on quality just to save a couple of thousand Ringgit. We want to ensure that pilgrims get the best that can possibly be offered, e.g. enough time at shrines without rushing just because days have been cut short, good morale because food is of good quality and accommodation is comfortable, and safety and security are ensured. Basically, we do our best to make sure you get what has been promised.

**PILGRIMS
MUST
RECEIVE THE
SACRAMENTS
AND
SPIRITUAL
GUIDANCE**

Part of cost-cutting measures is to remove the accompanying priests from the cost equation. This means that many pilgrimage groups travel without an accompanying priest to keep their trips cheap. But having a priest around to provide the sacraments on a daily basis is very integral to a pilgrimage.

The Splendour Project makes it a point to personally invite priests and bishops who are well-respected and reputed for being serious about the Sacraments. They are also priests who are patient enough to offer spiritual guidance on a personal basis to pilgrims who need to receive some spiritual direction for their lives. Such priests would ensure that pilgrims are able to make good confessions at the Sacrament of Reconciliation and have Masses well-celebrated for them on a daily basis throughout our trips.

**PILGRIMS'
SAFETY
MUST BE A
PRIORITY**

Prospective pilgrims are constantly worried about whether their safety is secured if they were to embark on a particular trip. They are usually afraid especially of unsafe socio-political situations in the places they will be visiting. It is important that the organisers of the trip have access to firsthand knowledge of what is happening in these destinations. Do keep in mind that the mass media is not trustworthy on such issues because they tend to sensationalise matters -- bad news sells!

The safety and security of our pilgrims are very important to the Splendour Project. We have firsthand regular updates from our contacts who live in the very places we are planning to visit, so we are well-aware of the security conditions there. We are therefore able to ensure that your trips are not unnecessarily cancelled or postponed, and also that your safety is not unnecessarily compromised. We also ensure that our pilgrims' insurance policies come with comprehensive coverage.

**PILGRIMS
MUST BE
AIDED
IN THEIR
LEARNING**

It would be a pity if you paid all that money for a trip and came back without having learned, or having forgotten, everything that you are supposed to know upon having visited those places in your travel itinerary. And yet, most of the time, this happens because travel organisers are experts in making logistic arrangements, not so much in crafting your learning process to ensure optimal learning.

To ensure that our pilgrims understand and remember, the Splendour Project conducts faith formation sessions each morning during our trips. Detailed explanations are also given by our Formation Director at the sites of our visits. At the beginning of each trip, pilgrims each receive a detailed handbook containing all the faith formation content and the necessary information about the places the pilgrims are visiting. This would ensure that they are able to refer to the handbook during, and even after, the pilgrimages instead of losing those precious memories and the knowledge that come together with the visits.

In addition to that, after each trip, the Splendour Project provides all our pilgrims with a professionally produced hour-long video footage of their trip. The purpose of this footage is, again, to assist pilgrims in reinforcing their memory of their pilgrimage trip. It is not possible for other tour organisers to provide footages of such professional quality because it would cost them too much to do so, but the Splendour Project has the added advantage of our own in-house media crew to provide this for our pilgrims.

**PILGRIMS
MUST BE
GIVEN A
HOLISTIC
UNDER-
STANDING**

Did you know that the places that the Church considers holy are all connected to one another in some way? But it does take a considerable amount of intellectual expertise and skill to help pilgrims to see this connection. Otherwise, one can only organise a particular pilgrimage trip in isolation from others and would be unable to help pilgrims to understand how a particular place is intricately linked to other places that they may have visited or will be visiting in time to come.

The Splendour Project encourages pilgrims to participate in our Trilogy of Pilgrimages, i.e. the Holy Land (known as the 1st Holy land), Rome (known as the 2nd Holy Land), and Greece & Turkey (known as the 3rd Holy Land). Pilgrims who travel on our Trilogy of Pilgrimages will be given a thorough knowledge of how all these places we visit actually are intricately related to one another. Because we are guided by detailed theological research, only we have the means to ensure that you receive information as a coherent whole and not in bits and pieces.

Come now.

Congratulations for making it this far in this pilgrimage guide. We hope you will now consider yourself a discerning pilgrim-to-be. The Splendour Team have your best interest in mind and truly care that you have a wonderful and fruitful pilgrimage. As you flip through the pages in detail, you will see that we are really

Splendour Pilgrimage Savings Scheme

In recent times, many prospective pilgrims have requested for us to start a savings scheme to enable them to enforce a kind of regular “savings” in order to eventually be able to participate in any one of our pilgrimage trips. In response to this request, the Splendour Pilgrimage Savings Scheme (SPSS) has been launched.

Sejak kebelakangan ini, ramai calon lawatan ziarah meminta kami memulakan skim simpanan untuk membolehkan mereka menguatkuasakan “tabungan” biasa supaya mereka akhirnya dapat menyertai lawatan ziarah kami. Sebagai respons kepada permintaan ini, Splendour Pilgrimage Savings Scheme (SPSS), atau Skim Simpanan Lawatan Ziarah Splendour, telah dilancarkan.

The whole purpose of this scheme is to encourage our pilgrims (who are not yet able to afford to join a trip) to cultivate the discipline of saving in the longer term and eventually be able to participate in a trip of their choice within a span of three years or more.

Satu-satunya tujuan skim ini adalah untuk

menggalakkan bakal pelawat ziarah (yang belum mampu untuk menyertai sebuah lawatan ziarah) untuk memupuk disiplin menabung dalam jangkamasa panjang dan akhirnya dapat mengambil bahagian dalam lawatan ziarah pilihan mereka dalam masa tiga tahun atau lebih.

Frequently asked questions.

GENERAL QUESTIONS

1. HOW MANY PEOPLE WILL BE ON TOUR WITH ME?

Passenger numbers on Splendour pilgrimages are limited to a busload with very occasional exceptions.

2. HOW CAN I KNOW IF MY TRIP IS A GUARANTEED DEPARTURE?

Our trips are rarely, if ever, cancelled or postponed. But if you are uncertain, it is best to contact us for confirmation.

RESERVATIONS & DOCUMENTATIONS

1. CAN I BOOK FOR A GROUP?

It is possible for you to form your own group. Depending on the group size, the pricing will differ from the stipulated prices. Terms & Conditions for group bookings may differ from those for individual bookings as well. Please contact us for further details.

2. DO I NEED TRAVEL INSURANCE?

Purchase of a comprehensive travel insurance policy is strongly recommended, even though it is not included in the tour package for non-Malaysian passport holders. Malaysian passport holders and permanent residents are usually covered under our group insurance with no extra charge.

3. WHAT IF I AM TRAVELLING ALONE?

For single travellers who prefer the privacy of their own room, single accommodation can be reserved. Prices for single room supplements are also listed on the respective webpage for each trip.

However, we strongly encourage you to find a traveling partner, someone whom you can be comfortable to be sharing the room with. We have been discouraged by the tour agents to pair single pilgrims. If we do the pairing you might not get a partner that you're comfortable with and if there's no partner, then extra charges will apply for single supplement.

4. WHAT IS A SINGLE ROOM SUPPLEMENT?

If you prefer the privacy of your own room, this can be arranged for you with an extra fee. Single supplement prices are listed on the respective webpage for each trip.

5. DO I NEED TRAVEL DOCUMENTS?

Passports are needed when travelling outside your country. Your passport should have at least six months validity from your planned date of departure. A coloured copy of your passport should be submitted along with your completed registration form for us to make the necessary reservations.

Malaysian passport holders are normally included in our group visa

(wherever required). Non-Malaysian passport holders may need separate visas to enter certain countries. We strongly advise that you consult us well in advance to determine which visas you require and how to obtain them.

PRIOR TO DEPARTURE

1. AM I EXPECTED TO PAY GRATUITIES (TIPS)?

Your gratuities are most usually included in the total cost of your pilgrimage. In instances where they are not, you will be informed accordingly.

2. HOW DO I EXCHANGE CURRENCY?

Currency can be exchanged at your local money changers, banks and airports. You should exchange your money prior to the trip.

Debits and credit cards are accepted at most bank machines throughout the world. It is advised that you check with your bank prior to departure, to be sure that your cards operate in the destinations you are travelling. To find out which currency is used in each destination, don't hesitate to contact us.

3. HOW MUCH LUGGAGE CAN I BRING?

Due to airline restrictions, limited coach capacity and keeping within the guidelines of Occupation Health and safety, you are only allowed to bring with you one (1) piece of check in luggage per person and one

(1) piece of hand carry luggage per person.

Your single luggage should have dimensions not exceeding 76x53x28cm (30"x 21"x 11") and weight not exceeding 23 kg. Your single hand carry luggage should not exceed the dimensions of 30x28x14cm (12"x11"x6") and weight not exceeding 7 kg.

We do understand that slight variations to these dimensions will occur and provided the variations are only slight, luggage will be accepted on the coach. Due to limited space on luggage racks in the coach and for safety reasons, wheeled carry-on bags are not suitable as hand luggage on motorcoaches and minibuses as these bags can cause damage to persons and property if it falls from the overhead compartments for any reason. A carry-on bag and a handbag will be suitable inside the coach.

4. WILL I REQUIRE ANY VACCINATIONS?

We recommend that you go for a flu vaccination before the trip. The vaccination lasts for a year. It won't stop all flu viruses and the level of protection may vary between people, so it's not a 100% guarantee that you'll be flu-free, but if you do get a flu vaccination, it's likely to be milder and shorter-lived than it would otherwise have been.

5. CAN YOU ARRANGE FOR A TRIPLE ROOM?

Triple-room configurations are sometimes available, and at other times not, depending on the size of the hotels and the convention in any one particular country. Where they are available, they are likely to involve double beds and rollaway beds. They are unlikely to be three separate beds. We usually advise

against triple-room configurations as there is not much cost saving, if any. Also, hotel rooms in many countries, especially around Europe, tend to be rather congested.

DURING THE TRIP

1. ARE THERE LAUNDRY FACILITIES?

Most hotels offer a laundry service, however it can sometimes be costly.

2. HOW CAN I CONTACT FRIENDS AND FAMILY?

Internet

Most of the hotels have free internet connection, at least at the lobby area although it's no guarantee. Separate extra charges may even apply for some hotel for Wi-Fi usage. Depending on your destination, some motorcoaches now also offer free wireless Internet connection. So, as you're enjoying your tour, you can share your experience with friends and relatives back home... and it's at no cost!

Telephones

On tour, hotels will either have telephones available in-room or at reception. Any such call charges will be billed to your room.

Mobile phones

A mobile phone is often the easiest way to contact friends and family, however it can be costly. Your mobile phones will be able to roam if you have subscribed to roaming services from your local network provider. You should check international calling and text rates with your cell phone provider and disable data roaming.

3. IS SMOKING ALLOWED ON THE COACH?

Smoking is not permitted on board the coach.
